**START POSITION:** Standing at start position facing downrange

**SCENARIO DESCRIPTION:** You're in your garage about to start cleaning your gun at your work bench.

You decide to open your garage door to let some fresh air inside. As the door opens you see three armed assailants jumping over your fence and landing on the driveway right in front of you.

The only hard cover are the double drums at the rear of the garage, through the "doorway".

The popper behind the left target activates the swinger on the right.

**SAFETY NOTES:** Moving backwards, stumbling on obstacles.

Muzzle pointed sideways on table.
