

EDCC - DRIVEWAY ATTACK

STAGE TYPE: Dynamic

START CONDITION: Default

THREAT TARGETS: 3

START POSITION: Sitting in driver seat, both legs inside car, hands resting on legs, door open

SCORING: Unlimited

SCENARIO DESCRIPTION: Just as you arrive home and pull into your driveway, a car pulls up in the street behind you and 3 armed attackers get out. One attacker moves straight for you, one moves around the left side of your car and the other moves up behind them, taking cover by your gate pillar.

COF NOTES: The inside of the car is considered cover.
 Only the bottom half of the car (below the door line) is considered sufficient cover.
 The barrels and tires at the back represent the rear end of another car.
 T3 isn't visible from the starting position.

SAFETY NOTES: Watch sweeping of legs and draw direction, especially with left-handed shooters.
