
EDCC – HANDCUFFED ESCAPE

STAGE TYPE: Forced Challenge
THREAT TARGETS: 4
NON-THREAT TARGETS: 1
SCORING: Unlimited

START CONDITION: Gun empty on table, magazine in pocket
START POSITION: Sitting on the ground behind table, hands in cuffs, bag over head
CHALLENGE: Bound hands

SCENARIO DESCRIPTION: You and your wife are surprised in your home by four armed intruders who manage to subdue you and put you in handcuffs. They search you and remove your firearm, which they unload and place on the table. They force you to the ground and place a bag over your head.
Two of the intruders take your wife to a back room and you overhear them state that they plan to rape then kill her. Luckily, they didn't find the spare magazine/s in your pocket. You plan to rescue your wife as soon as they turn their backs.

COF NOTES: The shooter must sit with their bum flat on the ground, facing down range. Legs can be in any position.
The turner is activated by the pressure plate behind the table.
The swinger is activated by the popper which is placed behind the Head-Shot target.

SAFETY NOTES: When finished, the shooter will move back to the table and place the gun down facing downrange, the RO will remove the cuffs, and then the shooter will clear the firearm and holster.
