

EDCC – RUDE AWAKENING

STAGE TYPE: Dynamic

THREAT TARGETS: 3

NON-THREAT TARGETS: 1

SCORING: Unlimited

START CONDITION: Firearm loaded on bedside table, all extra loading devices on table

START POSITION: Lying down on your back on the “bed”, feet towards backstop

SCENARIO DESCRIPTION: While sleeping with your partner one night you’re woken up from the sound of breaking glass and footsteps coming down the hallway.

As you clear your eyes and sit up you see two armed intruders already in your room and approaching both sides of the bed, with a third one in the doorway.

You grab your gun from your bedside table and defend yourself.

COF NOTES:

Load firearm from behind bed and table, place it on table, and then approach bed from opposite side.

Position COF on range to allow for 270° muzzle safe point on firearm side (if possible).

SAFETY NOTES: Muzzle direction when grabbing firearm from table.

Watching sweeping of legs/feet.
