

### EDCC – ATM ROBBERY

**STAGE TYPE:** Forced Challenge

**THREAT TARGETS:** 3

**NON-THREAT TARGETS:** None

**SCORING:** Unlimited

**START CONDITION:** Default

**START POSITION:** Standing at start position facing target, credit card held in either hand

**CHALLENGE:** Competitor must deliver a disruption shot to punch pad before drawing

**SCENARIO DESCRIPTION:** While at an off-street ATM, a van suddenly pulls up opposite you and three armed men hastily climb out. While two of them holding guns move to the front and back of the van, a third man holding a knife moves right behind you and violently demands that you draw money and then get into the van with them. You fear that if you get into the van with them they will eventually kill you, but you must make space before you move.

**COF NOTES:** The competitor must strike the punch-pad held out by the RO before drawing and engaging the targets.

Any disruption shot of any force and type, and with either hand is acceptable, provided it is distinct and occurs before the draw.

The drums/pillar on the right are the only hard cover available.

Shooting the steel plate “leg” causes the last target to fall into view.

N.B. - The competitor does not have to move while engaging the first target (only)

N.B. – “Driver” target shown in images is NOT included in COF.

**SAFETY NOTES:** Watch the 180° rule and muzzle direction, especially when drawing.

Watch for sweeping of alternative hand.
