

### EDCC – VIOLENT KIDNAPPING ATTEMPT

**STAGE TYPE:** Dynamic

**THREAT TARGETS:** 4

**START CONDITION:** Magazine inserted, chamber empty. Holstered or on passenger seat.

**START POSITION:** Sitting in car on driver side, both hands on steering wheel, seatbelt on.

**SCORING:** Unlimited

**SCENARIO DESCRIPTION:** As you stop at an intersection while driving, two armed men suddenly jump out of the car directly in front of you. They shoot out your front tires and put a few rounds through your bonnet, stalling your motor. They rush your car, screaming at you to get out and go with them otherwise they'll kill you. You're not keen on that and defend yourself. Once you start, the other two, armed kidnappers exit their car and take cover behind it.

**COF NOTES:** Shooter must start seated with door closed, seatbelt on and both hands on the steering wheel. Only the bottom half of the car (below the door line) is considered sufficient cover. While seated in the car you are considered in low-cover. Competitor can only engage targets from inside of car through OPEN windows or doors. The popper behind T3 activates the swinger.

**SAFETY NOTES:** Sweeping legs/body while drawing and moving in car, finger while moving, 180° rule, moving backwards.
